

INDUSTRIAL SUPPLY GUIDE

STORE > SECURE > PROTECT

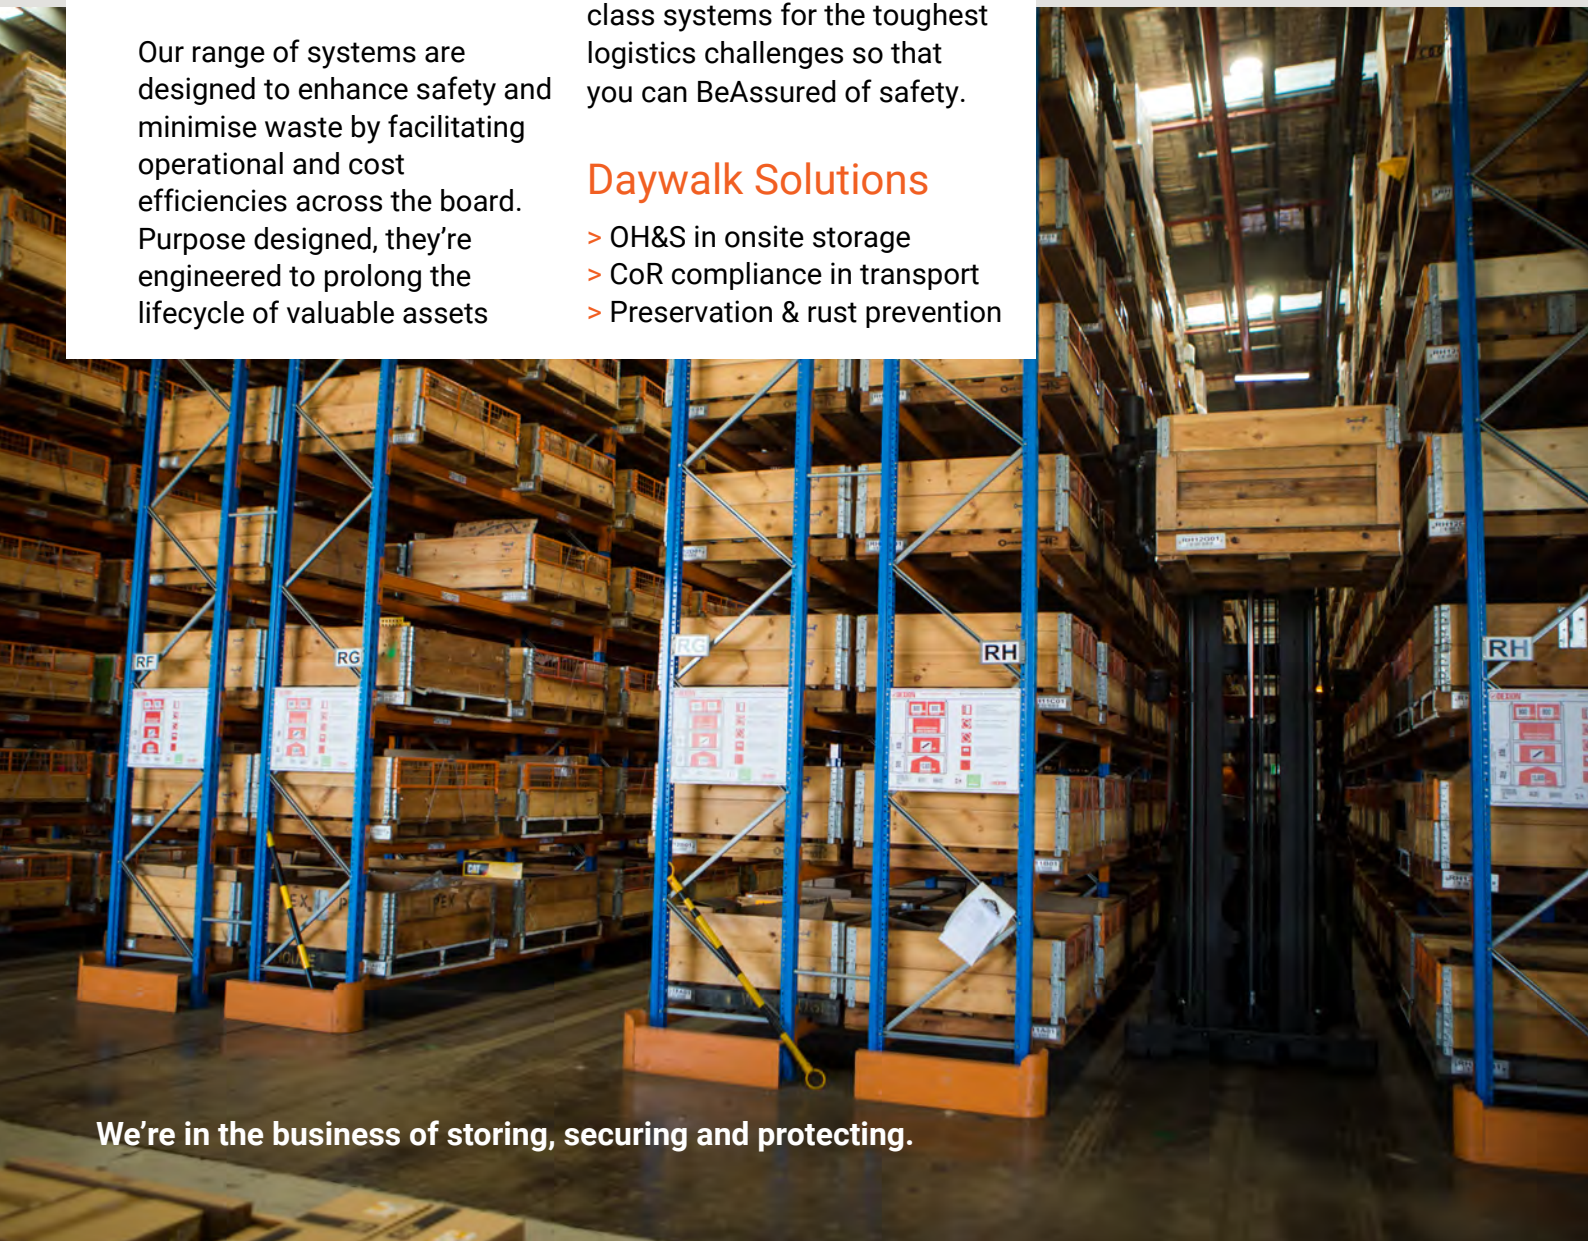

Formally known as Omni-tuff, Daywalk is the new face of the company as we advance into the next decade with a renewed outlook to grow with our customers. Our passion is to protect lives through engineering.

Our range of systems are designed to enhance safety and minimise waste by facilitating operational and cost efficiencies across the board. Purpose designed, they're engineered to prolong the lifecycle of valuable assets

and protect people in the field through the integration of advanced safety features. Due to our extensive product range, we have the unmatched capacity to custom build universal solutions fit for purpose. We develop world-class systems for the toughest logistics challenges so that you can BeAssured of safety.

Daywalk Solutions

- > OH&S in onsite storage
- > CoR compliance in transport
- > Preservation & rust prevention

We're in the business of storing, securing and protecting.

FUTURE PROOF > INNOVATION

CREATIVE ENGINE

Since our humble beginnings in 1999, the Daywalk philosophy has been underpinned by a future-proof focus to innovate. Every team member and supply partner is committed to finding solutions to logistical challenges that universally provide safe and effective operational reliability. Where an industry gap is evident, we strive to fill it with a

system that makes quantifiable improvements to our customers' bottom line. Importantly, we also take extensive measures to innovate solutions that limit wastage by extending the lifespan of heavy machinery through protection and preservation. Forging ahead, we look forward to creating cutting edge industry prospects for the benefit of all.

**Collaborative
Purpose**

**Collective
Potential**

We're in the business of setting the industry pace.

STEEL PALLET & ACCESSORIES

Steel Pallet Range

> SPARTAN DUTY RANGE

WLL - 1T to 2T
(1160mmL x 1160mmW) to (2320mmL x 1160mmW)

> MEDIUM DUTY RANGE

WLL - 3T to 7T
(2320mmL x 1500mmW) to (3500mmL x 2320mmW)

> HEAVY DUTY RANGE

WLL - 1T to 12T
(1160mmL x 580mmW) to (3500mmL x 2320mmW)

> ACCESSORIES

Bolt, Chocks and Spreader Plates

Benefits

- Meets CoR Obligations
- Load Restraint Engineered, with Load Guides
- Safer than timber
- Engineer rated and approved
- In stock range
- Multi-use, versatile design
- Innovative Accessories so you can customise your own frame
- Training and Support
- Safety Assured

Applications

- Used for transporting heavy equipment between sites
- Safer long-term storage of heavy components onsite
- Economical alternative to custom built frames
- Safer than wooden pallets

Steel Cages & Storage Range

- > STEEL CAGES
- > RECYCLING CAGES
- > TIMBER BASED CAGES
- > OTHER CAGES & RACKS
- > CUSTOM STILLAGES
- > WATER RESISTANT STORAGE BOXES

Benefits

- Engineer rated and approved
- In stock range
- Galvanised options to last in weather
- Stackable options for efficient use of space
- Collapsible options for storage when not in use
- Pallet Racking compatible

Applications

- Used for safe storage of parts in pallet racking
- Great for small package consolidation and sorting
- Economical alternative to pallet racking
- Double cages excellent for storage of long objects

TIMBER PALLETS & COLLARS

13-PH1165

13-PH2320/5

13-PCS1165

LIDS, DIVIDERS AND
OTHER ACCESSORIES
AVAILABLE

Benefits

- Rated to give you piece of mind
- In stock range
- Flexible storage solution
- Helps achieve compliance to Australian Standards
- Pallet Racking compatible

Applications

- Stenciling available for site identification
- Double pallets fit longer, larger gear
- Economical way to store items

Timber Pallet & Collar Range

- HARDWOOD PALLETS
- PINE PALLETS
- PALLET COLLARS
- PALLET COLLAR ACCESSORIES

PLASTIC PALLETS & BINS
