

CERTIFIED FOR STORAGE

**CAGE COVERS  
HALF / FULL HEIGHT**

**Fits Heavy Duty Cage sizes:  
500mmH & 800mmH**

Carefully designed to fit perfectly on the DAYWALK Heavy Duty Cage Range, these UV resistant and waterproof cage covers are highly durable and ideal for protecting cages and the items within. For easy access the covers are equipped with two full height heavy duty zips, and bungee tie downs for added security in storage.

FEATURES / KEY BENEFITS

**DURABLE**

Assured durability with UV Stabilized Blue 650GSM PVC which protects against dust and rain.

**EASY LABELING**

Document storage and pallet labeling is no challenge for these covers, with 6 clear A4 document pouches on the front.

**INCLUSIONS**

Two heavy duty zip openings, eyelets, and bungee tie downs are included to securely hold the cover in position in storage.
