

EFFECTIVE LOGISTICS

Supporting JLC to coordinate and distribute effective, innovative, persistent, and responsive logistics solutions to the ADF national network.

Daywalk aligns with ADF's evolving logistics priorities:

From Efficiency to Effectiveness: Enhancing Operational Support.

Compliance and Safety: Meeting Chain of Responsibility standards for road, sea, and air freight.

Speed: Providing pre-assembled modular transport systems.

Agility: Offering adjustable transport frames for various missions.

Local Support: Australian-owned company, we enable quick prototyping for logistics continuity.

Security: Focusing on asset protection and risk mitigation to meet confidentiality needs.

Cost Efficiency: Providing certified solutions that help JLC achieve budget efficiency.
